KEY BENEFITS TO LEARNERS AND CENTRES

- Extensive choice of units in a wide range of areas
- Complete flexibility with no mandatory units or complicated rules of combination, allowing courses to be tailored exactly to each learner's needs
- Maximum spikey profile opportunities – learners can start their course at a lower level than the qualification and work up as they become more confident OR gain experience of learning at a higher level than they have worked at to date
- Nested – learners can build on previous achievement within the suite, with all units in every qualification
- Can be used to accredit work experience, work-related learning and traineeships
- Can be used to allow learners to explore their career options
- Maths and English units can be used as stepping stones between the levels of Functional Skills and/or to GCSE
- Can be used to underpin courses which combine PSD and employability
- Suitable for Pupil Referral Units and LLDD Departments
- Learning is bite-sized so learners enjoy success quickly
- Units grouped informally into curriculum areas for ease of use but no restrictions apply
- Registrations can be made at any time during the year

 **ASSESSMENT**

- Range of assessment methods
- Centre designs tasks
- Learner compiles a portfolio of evidence to show they have met each unit assessment criteria
- Internally assessed
- Internally quality assured
- Externally quality assured
- Direct Claim Status available
