

**Reasons for making LASER
your AVA of choice**

“ **Our Access Diplomas
provide maximum flexibility
to design courses to *meet the
needs of learners* in different
areas as well as allowing you
to build on the expertise
of teaching staff.** ”

Sue Watson
Access Development Manager

Experience and commitment

- Over 25 years of experience in validating Access to HE
- A specialist team focussed solely on Access to HE
- A regional team of expert moderators supporting Access throughout England

An approach to Access tailored to your needs

- We are committed to supporting a wide range of Access Diplomas that are tailored to meet the needs of individual colleges and regional universities as well as providing progression to degrees nationally.
- We aim to assist and support a community of Access practitioners and stakeholders and we have a well-developed network of contacts across higher education institutions and we actively participate in regional and national Access developments.

Key features of the LASER Access to Higher Education

FOR STAFF AND CENTRES
