

October 2018

AQDC Student Representative

The LASER Access Quality & Development Committee (AQDC) is looking to appoint a student representative to join the committee

Call for nominations—two vacancies

The committee meets 3 times per year in a convenient central London location and its membership consists of representatives from both providers of Access to HE courses and colleagues from universities that receive Access students as well as individuals who may have other experience and knowledge of Access provision.

The AQDC welcomes student representatives and there are currently two vacancies available—the term of office covers two academic years 2018-19 and 2019-20. The nomination form including full details of the vacancy is sent with this bulletin.

The committee's work is varied and includes discussion of AVA policy, judging student nominations as well as considering and recommending actions arising from reports and other discussion items.

It is an opportunity to learn more about the detailed operation of Access to HE Diplomas and to bring a student perspective to the aims and objectives of our Access to HE work.

Meeting dates for 2018-19 are: 7 November, 28 February and 4 June, from 1.30pm at Friends House, Euston Road, London. Travel expenses will be paid.

If you have a student who would be interested in joining the committee, please complete the form and return to Sue, s.watson@laser-awards.org.uk. Applications welcome from full and part time students.

Please send any nominations by 5pm, Monday 15 October. If we do not receive enough nominations, the closing date will be extended and reps will only attend 2 meetings in this academic year.
